Dear Mom & Dad,

We just got your letter, and I read it to Diane. She laughed when we got to the part about Tiffany. It sounds like you are very busy.

Diane has been having fun playing with Catherine, Debbie, Kathy & Danny. We haven't gotten together with Irene and Claire yet. Robin Wakeley (from her kindergarten class) is over playing today, and is sad because all her friends are in Diane's 1st grade class this year.

Marty and Sam are here although haven't been around much. They spend the day in touring Wash. D.C. and ate dinner out last night and will again tonight. I had to hurry to get my house cleaned up - which was

just a mess.

Tommy was quite nonchalant about meeting us - and I'm pretty sure had forgotten who we were. But, now he seems to be remembering and is very happy to stick as close to us as he can. Marnie said he got in a fight with a big cat while we were gone, who had been sneaking into the garage to eat Tommy's food.

Our fund-raiser back here Tues. night went very well. The place was so packed you could hardly move. Several people said it was the best fund-raiser they'd seen by a freshman Congressman. Everybody made a lot over Wine who enjoyed running back and forth to the buffet table.

I also got a letter from Jimmy - which I'm going to answer today, also. Carolyn called yesterday and is leaving today to visit them for 3 weeks.

Love, Mary
